**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We switched to Sonic High Speed Internet from AT&T services because it was cheaper and so far the service has been more reliable and faster than when we were with AT&T. With a house of seven people, when everyone was home at the same time it was difficult to maintain a strong steady connection. One of our roommates was so frustrated, and did the research to find an alternate service provider, and found sonic. Weve been happy with the switch every since.
